

Serial No.: 09/986,983
Atty. Docket No.: P67310US0

IN THE SPECIFICATION:

On page 10, please amend the fourth paragraph beginning on line 20, as follows:

--In the embodiment shown in Figure 3 and 4, the outer face 601 of the arcuate blade 60 carries two detents 67 projecting from the plane of said face and located in diametrically-opposite positions. The inside wall 20 of the chamber 21 presents four cavities ~~20~~ 201 of a shape that is substantially ~~complement~~ complementary to the shape of the detents 67.--
